MEXICANS NOT READY FOR SELF-GOVERNMENT

Norman, Okla., April 28.—Everett DeGolyer, leading geologist of the vast oil fields of Mexico, who graduated from the University of Oklahoma in 1911, addressed the Young Men's Christian association of the university and declared in the course of his talk that the people of the southern republic are not ready for self-government.

Only about 12 per cent of the Mexican people are able to read and write, which rate must be decidedly increased before a stable government can stand in that country.

Mr. DeGolyer declares the Mexican people are suspicious of the United States and regard Uncle Sam's motives as ulterior. He advised the students of the American colleges and universities to study Spanish in the place of German and French, for the reason that the day of Mexican deliverance is not far off, and when the government is again redeemed for the common people, the advance in commerce will be very rapid.

BAR ASSOCIATION BANQUET IS POSTPONED ONE WEEK

Oklahoma City, April 28.—Announcement was made Tuesday afternoon by E. G. McAdams, president of the Oklahoma City Bar association, that the annual meeting and banquet of that organization, which was to have been held next Saturday night has been postponed to Saturday night May 8. This decision was made, according to the president, on account of the inability of M. M. Crane of Dallas, principal speaker for the occasion, to be here this week. This information was received Tuesday morning by telegraph, Mr. Crane stating that cases in the federal courts would keep him from being here. However, he stated that he could be here either May 8 or May 15. After consulting several of the local men who are on the program, the president decided on the following Saturday as the date.

Indications are that the banquet will be the most sumptuous affair

"APPEAL OF RELIGION" TO THE UNCHURCHED

Louisville, Ky., April 29.—An appeal for the church to "have initiative and daring, and risk something for the ideals of Jesus" in order to reach the unchurched, was made here last night in an address by the Rev. George Gilmore, pastor of the First Unitarian church of Dallas. He was speaking before the convention of Southern Unitarian churches, now in session here, and took as his subject "The Appeal of Religion to the Unchurched."

Mr. Gilmore declared the right sort of effort on the part of the church would bring responses, and quoted Charles Kingsley's "If the Christian church were what she ought to be and could be, for a single day, the world would be converted before nightfall."

In making a plea for greater efforts on the part of pastors and church members in the church and in the home, as well as in daily work, Mr. Gilmore said in part:

"Every man, whether in or out of the church, will admit that the worth of the church depends on how much moral root it has, or whether it is largely an affair of surface cultivation, or whether it is grounded in principle."

"Before there is a response from the majority of the unchurched, the church must prove it is a heart and soul believer in the central gospel of the Man of Nazareth. The marks of that gospel are readily detected when it expresses earnestness, intelligence and boldness in preaching, and actually living out the personal ideals."

In urging that the church be made a "religious home," where the unchurched might find a "rallying center and an effective force to rouse them out of their indifference, selfishness and practical atheism into a working faith that shall make life seem worth more the living," Mr. Gilmore pleaded for a broader viewpoint among church members. "The church has eliminated many by its narrow conception of goodness and virtue," he said.

"The church will be second to none," he continued, "when it makes the test of fellowship; Those who wish to keep their minds and hearts alive and growing, and who have concentrated themselves to the work of making a better and fairer world."

GORE VISITS SING SING.

Ossining, N. Y., April 28.—Thomas P. Gore, United States senator, had luncheon today at Sing Sing prison with Mr. Osborne. Others present were the assistant warden, Mr. Johnson, and Rabbi Jacob Goldstein. During the luncheon one of the prisoners asked the senator to take a message to Senator James, requesting the latter to interest himself in the pardon of the prisoner.

Senator Gore made a tour of the shops, and at the Weskora hotel this afternoon he said that while he could not speak with the authority of a student, he believed that Mr. Osborne's policy was calculated to get the best there was out of a bad situation.

TRAGIC END OF COUPLE AT WAGONER

SPURNED LOVER FAILS IN RECONCILIATION — MORTALLY WOUNDS SWEETHEART AND KILLS SELF.

Wagoner, Okla., April 28.—Firing two shots in rapid succession from an automatic Colts revolver, Thomas W. Hunt, a recent arrival in Wagoner, ended his own life, and mortally wounded Miss Pearl Lemott, aged 19, who had accompanied him here as his wife. The tragedy was enacted at 2:15 o'clock Wednesday afternoon at the residence of the chief of police, S. H. Townsend, during the absence of the Townsend family at Muskogee.

Neighbors, having noted Hunt's presence at the Townsend residence, and hearing the pistol reports, immediately telephoned the sheriff's office. Sheriff Wagoner responded at once. Upon entering the house the sheriff saw outstretched upon the floor and within a few feet of each other, the body of Hunt, cold in death, and that of the Lemott woman, almost motionless, unable to speak and her eyes set in a death stare. A small child entrusted to the care of the woman was the only witness to the tragedy, and it is too young to understand the full import of the awful deed. Hunt and the woman came to Wagoner three or four months ago as canvassers of an eastern firm for the enlargement of pictures. Failure to pay a board bill caused a warrant to be sworn out for their arrest, but Hunt left town before being apprehended and the woman was taken into custody. It was then that she bared her life and renounced Hunt as her husband. Later Hunt returned and settled the claim of the hotel and the prosecution was dropped. Since then the woman has been employed as a domestic while Hunt left town before being apprehended at odd jobs.

Wednesday morning Hunt learned that the woman was alone at the home he had previously been forbidden from visiting and he made a trip to the house. What conversation or trouble, if any, passed between the couple at this time is unknown, but it is supposed that the woman spurned his overtures for a reconciliation. Returning to the house about 2 o'clock, he entered by a rear door, murmured words that were heard by neighbors and shortly the reports of two pistol shots filled the air.

The gruesome scene that followed the investigation is all that is known of why the deed was enacted. The Lemott woman died about six hours after the shooting. The couple claimed South Dakota and Indiana as their former home. An inquest will be held by the coroner over the two bodies Thursday morning.

"A GILDED FOOL" AT THE MAJESTIC TODAY ONLY

Today—Thursday—William A. Fox Picture Plays, Inc., presents Wm. Farnum in "A Gilded Fool."

An all-star American cast supporting one of America's greatest actors, William Farnum, makes the William Fox production of Henry Guy Carter's striking play, "A Gilded Fool," a peculiarly distinctive and notable event in screen history. Edgar Davenport adds new laurels to his fame as a dignified and polished actor by his splendid portrayal of Ruthven, the hide-bound old banker with his conservative business methods and narrow prejudices against the swift-flowing tides of modern life. In this part, which affords remarkable scope for the display of Mr. Davenport's powers, the actor is seen at his very best.

Charming and beautiful Miss Maude Gilbert plays with winning sweet-

WOMAN SLAYER AT MADILL HELD WITHOUT BOND

Madill, Okla., April 28.—John W. Honeysuckle, 27 years old, charged with having murdered Mrs. Creasy Merriam, 60; and Mrs. G. M. Mutz, 35, was bound over here Wednesday to await prosecution in the district court. Honeysuckle was held without bond by the committing justice, and his attorneys announced that they will institute proceedings in the district court Thursday for the purpose of obtaining bond for their client, if possible. In the preliminary hearing here Wednesday, no witness was introduced by the defense, and but few were introduced by the prosecution. One thousand people attempted to crowd into the court room to hear the testimony. Trial of Honeysuckle will probably occur during the term of court convening here May 3. Attorneys F. E. Kennamer and C. A. Coakley represent Honeysuckle. George L. Sneed, county attorney of Marshall county will have sole charge of the prosecution.

Honeysuckle, in his home, shot the two women to death during the morning of April 22, following a quarrel over the guardianship of Honeysuckle's step children.
